   (7) Heated tobacco inserts
   (88) Other (describe)
   (0) Not printed on pack

4. **Price**

   Enter price (in local currency) _____

5. **Purchase Date**

   Enter the purchase date recorded on the label (Month-Date-Year) _____

6. **Tax Stamp**

   Is there a tax stamp present on the pack?

   (1) Country tax stamp
   (2) Foreign tax stamp

(0) No tax stamp

7. Health Warning

[Please code only the **primary package** for the following questions. The primary package of the product is defined as the package in which the product is directly contained. The larger package is defined as the package in which the primary package is contained (e.g., metal can, sleeve).]

a. What is the shape of the pack?
   (1) Rectangular box
   (2) Cylindrical box

b. Is there a health warning present on the front of the pack?
   (1) Country health warning
   (2) Foreign health warning
   (0) No health warning

[For hard packs, the front of the pack is the side where the flip top opens. For soft packs, the front of the pack is the side that is face up when the pack is placed so that the tobacco company text (not the health warning text) on the side of the package is upright and readable.]

c. Enter the health warning rotation code on the front of the pack [Country health warning only]
   (1) 1
   (2) 2
   (3) 3
   (4) 4
   (5) Out of rotation

[Please reference the Health Warning Appendix document to identify the code corresponding to the correct warning pictogram/text.]

d. Is there a health warning present on the back of the pack?
   (1) Country health warning
   (2) Foreign health warning
   (0) No health warning

e. Enter the health warning rotation code on the back of the pack [Country health warning only]
   (1) 1
   (2) 2
   (3) 3
   (4) 4
   (5) Out of rotation

f. Is there a health warning present on the side of the pack?
   (1) Country health warning
   (2) Foreign health warning
   (0) No health warning

g. Enter the health warning rotation code on the side of the pack [Country health warning only]
   (1) 1
   (2) 2
   (3) 3
   (4) 4
   (5) Out of rotation

h. Is this a lipstick pack?
   (1) Yes
   (0) No

8. Larger Package

[Please code only the **larger package** for the following questions. The primary package of the product is defined as the package in which the product is directly contained. The larger package is defined as the package in which the primary package is contained (e.g., metal can, sleeve). The cellophane package is NOT considered larger package.]

a. Does this pack have packaging outside of the primary pack (i.e., a larger package)? [All remaining questions apply only if there is a larger package]
   (1) Yes
   (0) No

b. Is there a health warning present on the front of the package?
   (1) Country health warning
   (2) Foreign health warning
   (0) No health warning

[For hard packs, the front of the pack is the side where the flip top opens. For soft packs, the front of the pack is the side that is face up when the pack is placed so that the tobacco company text (not the health warning text) on the side of the package is upright and readable.]

c. Enter the health warning rotation code on the front of the pack [Country health warning only]
   (1) 1
   (2) 2
   (3) 3
   (4) 4
   (5) Out of rotation

[Please reference the Health Warning Appendix document to identify the code corresponding to the correct warning pictogram/text.]
